## Workshop on Numerical Electromagnetics and Industrial Applications (NELIA 2011)

October 25 - 28, 2011 Faculty of Mathematics Universidade de Santiago de Compostela, Spain

Presentation Organizers Workshop Structure Programme Registration Location Acommodation Special Issue Sponsors Contact

Download our poster Special Issue of APNUM

Selected papers from NELIA 2011 will be published in a special issue of the journal APPLIED NUMERICAL MATHEMATICS.

Special issues are peer-reviewed articles published as part of the regular journal issues. Instructions for authors will be displayed here shortly after the conference.
