ABSTRACT

All the participants (invited lectures and poster contributions) are kindly requested to submit a one page abstract at the conference address not later than **September 1st, 2011**.

Please, follow carefully the instructions for preparation of abstracts, in order to ensure standardized formats.

Abstracts should briefly outline the main features, results and conclusions as well as their general significance and contain relevant references. The abstract has to be written in English with Times-Roman letters in font size 11.

The abstract must contain the full name, full address and e-mails of author/s. In the case of joint authorships, the name of the author who will actually present the paper at the Congress should be underlined.

The electronic submission is required. Please, name your files after the lastname of the first author, that is **lastname.tex**, and send both the **.tex** and **.pdf** files.

Please, also remember to fill in the registration form that you can find at the web address:

http://mathematica.nodo.cesga.es/nelia2011

Keywords: the electronic submission is required to the conference address **elisa.eiroa@usc.es**

Mathematics Subject Classifications (2010): please, use *Abstract nelia2011* as a subject of the e-mail.
